Inhibitors / Regulators / Agonists / Intermediates / Plant extracts

| Product Name: CFM 4           |                      |                      |                        |
|-------------------------------|----------------------|----------------------|------------------------|
| Item No.: MED11308            | •                    |                      |                        |
| Purity Specification: 98%     | ,                    |                      |                        |
| Molecular Formula :           |                      |                      |                        |
| CASNumber: <b>331458-02-7</b> | Formula Weight:      |                      | Storage: -20 ° C       |
|                               |                      |                      |                        |
| Test                          | Specification        |                      |                        |
| _                             | Min.                 |                      | Max.                   |
| PURITY                        | 98%                  |                      | 100%                   |
|                               |                      |                      |                        |
|                               |                      |                      |                        |
| Structure :                   |                      |                      |                        |
|                               |                      |                      |                        |
|                               |                      |                      |                        |
