Inhibitors / Regulators / Agonists / Intermediates / Plant extracts

| <b>Product Name:</b>                                                                     |                 |               |                  |
|------------------------------------------------------------------------------------------|-----------------|---------------|------------------|
| Item No.: MER18129                                                                       |                 |               |                  |
| Purity Specification: 98%                                                                |                 |               |                  |
| Molecular Formula :                                                                      |                 |               |                  |
| CASNumber: <b>38748-32-2</b>                                                             | Formula Weight: |               | Storage: -20 ° C |
| Test                                                                                     |                 | Specification |                  |
| _                                                                                        | Min.            |               | Max.             |
| PURITY                                                                                   | 98%             |               | 100%             |
|                                                                                          |                 |               |                  |
|                                                                                          |                 |               |                  |
| Structure :                                                                              |                 |               |                  |
|                                                                                          |                 |               |                  |
|                                                                                          |                 |               |                  |
| Information represents the product specifications. Batch specific analytical results are |                 |               |                  |
